## **‘GLENDALE’S GOT GAME’ NOW ONLINE**

**GLENDALE, Ariz.** – No more sitting on the sidelines, Glendale residents can get into the game, thanks to a new website.

The city of Glendale recently unveiled ‘Glendale’s Got Game’ website, a new site aimed at keeping residents, visitors and businesses informed on how Glendale is planning for upcoming national sporting events.

The new site offers information ranging from transportation options in and around major events to volunteer opportunities within the community.

The site will offer visitors updated stories about Glendale’s major sporting events, traffic routes, the Cardinals Stadium, important dates and more. The site offers information categories, including:

- **Home Team Updates** - A section just for residents, which will include neighborhood FAQs, volunteer opportunities and more.
- **A Visitors’ Section** – A one-stop shop for tourists, including information on major city destinations, maps and a link to the city’s official tourism Web site—[www.VisitGlendale.com](http://www.VisitGlendale.com).
- **A Pre-Game Section** – As game time gets closer, this section will offer the nuts and bolts on things you need to know before heading out to a game, including parking, shuttles and tailgating zones.
- **Playbook** – Transportation information, routes and maps will make up this section, which will also be easily accessible from a variety of pages throughout the site.
- **A Feedback Section** – An opportunity for residents and online visitors to share their thoughts on what information they would like to see on this site in the future. E-mailed feedback will be used to create a future frequently asked questions section as well as other online services.

**A Web Roster** – An A-Z list of content currently on the site to allow browsers to find what they’re looking for fast.
